

# COMMUNITY SITE PLAN

The Site Plan herein is presented for illustrative purposes and represents an artistic conceptualization of the intended development. It should not be relied upon as a definitive representation of the final project. The developer and seller expressly reserve the right to make modifications, revisions, and changes to the development as they deem desirable in their sole and absolute discretion, without prior notice. The Site Plan is intended to show approximate lot location and lot configuration and does not depict specific details about the lot or development, including, but not limited to, the existence or location of utilities, easements, mailboxes, conservation zones, roads, and floodplains. Potential buyers should not base purchase decisions exclusively on this representation. No assurances, representations, or warranties are given regarding the current or future characteristics of the development or neighboring properties. Reliance on the Site Plan by any party does not create a warranty, either express or implied. Be advised that homesite availability and pricing is subject to change. Prosperity Plains is located within and subject to the Airport Impact Overlay District, within one (1) mile of Ldn 60 aircraft noise impact area, under the Loudoun County Zoning Ordinance. Prosperity Plains is located within an area that has close proximity to Washington Dulles International Airport and will be impacted by aircraft overflights and aircraft noise. For details, please consult with our Community Experience team.
